

## Utah Daily Emissions Report (Form 5)

This form should be filled out for each day of prescribed fire activity covering 20 acres or more.

Project name <input style="width: 95%; height: 20px;" type="text"/>	Project number <input style="width: 95%; height: 20px;" type="text"/>
Submitted by <input style="width: 95%; height: 20px;" type="text"/>	Ignition date <input style="width: 95%; height: 20px;" type="text"/>
Start time <input style="width: 95%; height: 20px;" type="text"/>	End time <input style="width: 95%; height: 20px;" type="text"/>
Daytime ventilation <input style="width: 95%; height: 20px;" type="text"/>	Nighttime ventilation <input style="width: 95%; height: 20px;" type="text"/>
Public interest regarding smoke <input style="width: 95%; height: 20px;" type="text"/>	ERT <input style="width: 95%; height: 20px;" type="text"/>
Evaluation of ERT <input style="width: 95%; height: 20px;" type="text"/>	Acres claimed for dispatch/target <input style="width: 95%; height: 20px;" type="text"/>

### Broadcast emissions

Fuel model	A Black acres	B Tons fuel consumed/acre	C Emission Coefficient	A x B x C Tons PM

### Pile emissions - see [pile calculator](#)

# of piles	Adjusted volume (ft <sup>3</sup> )	Consumed fuel (tons)	PM <sub>10</sub> (tons)

### Comments

Send form to the smoke program coordinator. Contact info at [smokemgt.utah.gov](http://smokemgt.utah.gov)
